No Ladder

By Todd Carter Koeppen

E vamp

See the man with the bitter pockets, see the man with the downcast gaze
He won't lift a finger in my direction, he won't even look at my face
There's no, there's no hand here to give me comfort, there's no whisper to ease my mind
I've got everything I could ever hope for, cause there's no ladder for me to climb

Hear the song sung with lilting whisper, hear the song with melodic lure
They think world's are changed staring out the window
Well, my world's lived and it's hard and true, and there's
There's no, there's no hand here to give me comfort, there's no whisper to ease my mind
I've got everything I could ever hope for, cause there's no ladder for me to climb

E **D A**
But there's strength in my situation
E D A
My God is my inspiration
E D A E
And I know, with my eyes on him as my goal
E D A E
I can only win, oh I know

E D A E
He knows my heart, He knows my mind, He is the strength that I can find
E D A E
He built the world, He built my soul, He gave his all, give Him control
E D A E
He is not weak, He is not frail, He's never wrong, He never fails
E D A E
He is where all my hope springs from, I look to him, He overcomes
E D A E (intensity decrease on this note)
He overcomes, He overcomes
D A E
He overcomes, He overcomes
