

# Unwind

By Todd Carter Koeppen

**Fm** **C7** **Fm** **C7** **Fm**  
Lift up your ears hear what never will be, Lift up your eyes there is nothing to see  
**Fm** **C7** **Fm** **C7** **Fm**  
All that you've worshipped that never could sway, Is filled with the reasons that kill every day

**Fm** **C7** **Fm** **C7** **Fm**  
Claim no position to change such a sight, Well be what you be friend and wish what you might  
**Fm** **C7** **Fm** **C7** **Fm**  
Rarely a difference would ever be made, The shiners will shine and the faders will fade

**D#** **C#** **G#** **C#** **G#**  
But with faith as my guide and the truth up my sleeve, I will shout at the crowd till the doubters believe  
**Fm** **C7** **Fm** **D#** **C#** **D#** **C7** **Fm**  
That the twists and the turns will be righted when it all unwinds, All in good time, it will unwind

**Fm** **C7** **Fm** **C7** **Fm**  
Hold no excuses you'll get none from me, Wisdom is fickle and answers will flee  
**Fm** **C7** **Fm** **C7** **Fm**  
Just do what you can only wasters dismay, The shiners will shine and the faders will fade

**D#** **C#** **G#** **C#** **G#**  
But with hope as my fuel and the dream on my back I will work for the love and be paid with the lash  
**Fm** **C7** **Fm** **D#** **C#** **D#** **C7**  
**Fm**  
Cause the twists and the turns will be righted when it all unwinds, All in good time, it will unwind

Instrumental **Vamp on Fm; D#-C#-D#-Fm-D#-C#-D#-C7-Fm**

Choose with great care every step that you lay, Both fate and judgement expect to be paid  
Answer your demons or answer their crimes, Options like candles will burn out in time

**C#** **G#** **C#** **G#** **D#**  
Let the simplest of truths put an end to your plight, It's at my discretion but try as I might  
**Fm** **C7** **Fm** **D#**  
All the twists and the turns will be righted when it all unwinds  
**C#** **D#** **C7** **Fm** **D#** **C#-C-F**  
All in good time it will unwind, It will unwind, all in good time

# Sunshine

By Todd Carter Koeppen

**D** **E7** **F** **E7** **D**  
Some people got a lot of lucky, some people got a lot of try  
**D** **E7**  
Some people think that they are always on the brink,  
**F** **E7** **D**  
Some fear they're doomed to suck the bottom till they die  
**C7** **D** **C7** **D**  
I'm right there somewhere in the middle, seems every door I try shuts me out  
**G** **D** **Bm** **E7** **A7**  
I could give up, I could sit and pout, but the blessings that I've got give me all the things that count

## CHORUS

**D** **A** **G** **D** **E7** **A7**  
I got sunshine, I got peace of mind, God is walking with me everywhere I go  
**D** **Bm**  
Though my pockets are not full, see I've got a heart of gold  
**E7** **A7** **G** **D**  
And it seems to be getting me where I want to go  
**D** **E7** **F** **E7** **D**  
Now all around me I hear voices advising to accept what I've received  
**D** **E7** **F** **E7** **D**  
They say I made all the wrong choices, but I guess that all depends on what you believe  
**C7** **D** **C7** **D**  
And I believe appearances are deceiving, cause the bottom is where everyone must start  
**G** **A** **D** **Bm**  
Still, you're gonna see what you're gonna see, and that's the way things are gonna be  
**E7** **A7**  
So it won't matter what I show you, but what I've got down in my heart

## CHORUS

**Bm** **F#** **Bm** **F#**  
Now it don't defy logic or understanding, and no I don't find it that hard to believe  
**G** **D** **Bm** **E7**  
Any time this world gets too demanding I still can find some pleasure knowing  
**A7**  
That I've got everything I need

# Give love A Try

By Todd Carter Koeppen

CHORUS:

**F#** **B** **C#** **F#** **B** **C#** **F#** **B** **C#** **F#**  
We've got to look through different eyes, lead a different life, a new direction takes you too  
**B** **C#** **F#** **D** **E** **F#**  
Let's give love a try, let's give love a try

**F#** **B** **F#-E-F#-G#-F#** **B** **C#**  
I won't pretend I'm holding all the answers, I barely hold enough to make my way  
**F#** **B** **F#-E-F#-G#-F#** **D** **E** **F#**  
As I approach the Lord for my direction realities reshaping every day  
**F#** **B** **F#-E-F#-G#-F#** **B** **C#**  
Too many cry for change but shun the questions, and some have read the Bible all their lives  
**F#** **B** **F#-E-F#-G#-F#** **D** **E** **F#-E-F#-G#-F#**  
How many see the words but miss the meaning, only deeds show what we hold inside  
**D** **E** **F#-E-F#**  
And every deed shows what we hold inside

CHORUS

**F#** **B** **F#-E-F#-G#-F#** **B**  
**C#**  
Instead we shed the blood of saints and prophets, we've drank from all the works they left undone  
**F#** **B** **F#-E-F#-G#-F#** **D** **E** **F#-E-F#-G#-F#**  
And still their words ring truer through the silence as we reap from all that we've begun  
**D** **E** **F#-E-F#**  
As we reap from all that we've become

# All I Want

By Todd Carter Koeppen

**D**            **A**                    **G**            **A**  
I know this world is prone to turn on you  
**D**                    **A**                    **G**    **A**  
Well count on me for all a friend can do  
**G**                    **A**                    **D**  
In troubled times I'll bring you understanding  
**G**                    **A**                    **D**  
In joyful times I'm smiling there with you  
**G**                    **A**                    **D**  
And in return my friend I ask for nothing  
**G**                    **A**                    **D**            **D-A-G-A-D-A-G-A**  
Because love for me is all I want from you

**D**            **A**                    **G**            **A**  
Now I know it's in your nature to stray sometimes  
**D**                    **A**                    **G**            **A**  
I'm not saying I like it when you do  
**G**                    **A**                    **D**  
But when you tire of chasing after false hope  
**G**                    **A**                    **D**  
When you call have faith cause I'll come through  
**G**                    **A**                    **D**  
And when you turn I'll be right where you left me  
**G**                    **A**                    **D**            **D-A-G-A-D-A-G-A**  
Because love for me is all I want from you
